

# Dandelion Floor Lamp

RICHARD HUTTEN

True to its name, Dandelion was initially inspired by the plant that creates the famous and poetic 'dandelion snow' of fuzzy, cotton-like seeds when a gush of wind blows on it. The lamp transmits an explosive feeling of energy in motion, reaching towards us from its centre. Striking and pure self-generated energy to lighten up and blow away the heaviness of everyday life. Dandelion is truly a breath of fresh air.

## *Detailing*

Due to the open structure of the rings, the Dandelion appears airy, as if it is ready to float with the wind at any given moment.
