

suite design marco fumagalli 2019

The entire collection Suite is characterized by the selection of the same materials. The shelves and the top are made of clay, available in three finishes: slate, tar or smoke. The molded back panels, upholstered in leather and refined with an edge seam, are available in all leathers, except Neck. The metal parts are painted with a bronze effect. Cupboard fully upholstered in leather; all the leathers are available except Neck, Piemone Vintage and Piemone. The top is made of ceramic material with marquinia black or calacatta white marble effect.

Tutta la famiglia Suite è legata dagli stessi materiali di finitura. I ripiani orizzontali e i top sono in argilla con l'opzione di tre diversi colori: ardesia, pece e fumo. Gli schienali sagomati sono rivestiti in pelle con cucitura perimetrale e tutte le pelli, tranne il Neck, sono disponibili. Le parti in metallo sono verniciate effetto bronzo. Madia interamente rivestita in pelle. Tutte le pelli, tranne il Neck, Piemone vintage e Piemone, sono disponibili. Top in materiale ceramico con finitura marquinia black o calacatta bianco.
