

TEBE

TABLES AND SMALL TABLES | Indoor
BAXTER P.

The Tebe collection of low stone coffee tables by Baxter is a tribute to nature and its ability to transform itself into a practical masterpiece of outstanding aesthetic worth. The essential lines of Tebe coffee tables dialogue with the most sophisticated interiors, adding a touch of authenticity and character. The solid and elegant structure is complemented by legs enriched with a tempered glass insert that increases stability and visual lightness. Each coffee table is a small work of art, shaped by the organic beauty of marble and precious stones such as onyx and quartzite, where slight variations and imperfections tell the thousand-year history of the material and the distinctive uniqueness of each piece. Tebe is not just a coffee table, it is a celebration of authentic beauty, a piece with eternal appeal that combines contemporary design with the memory of nature.

Structure: coffee table made of stone with waterproof protective oil.

Feet / Legs: legs with 4 mm tempered glass reinforcing insert.
