

Alys 10

BEDS

2023

Gabriele & Oscar Buratti

Description

10 years after the presentation of the bed Alys, designers Gabriele and Oscar Buratti celebrate the anniversary with a new version to accompany the original. Alys 10 has been envisioned with a more prominent base and soft shapes while maintaining the iconic headboard, made up of a sheet of thick leather 'pinched' at the base. The lower band is offered in a medium size to accommodate different types of bed bases. Two sets of feet allow for two different bed platform heights. The proportions change, but the bed keeps its discretion, elegance, and sophistication. Alys 10 also sees the introduction of a refined shade of milk white thick leather with contrasting stitching and one version covered in fabric.

Technical information

Internal frame

tubular steel and steel profiles

Internal frame upholstery

Bayfit® flexible cold shaped polyurethane foam

Bed sides

anodized aluminium extrusions

Feet

thermoplastic material

Slatted base

tubular steel and wood multi-layered slats

Support crosspiece for slatted base

tubular steel

Cover

thick leather or fabric
