

Aldora Chaise Longue

CRISTINA CELESTINO

The Aldora Chaise Longue, by Cristina Celestino, is available with a wing on either left or right side. The seater is a contemporary spin on a classical concept. The soft feminine shapes are inspired by the graceful petals of calla lilies and has the allure of Milanese bourgeois decadence. With the Aldora Chaise Longue, Cristina Celestino created an iconic piece with a wide range of inspirations and a subtle nod to her heritage. The Aldora Chaise Longue is also available as a sofa with wings on both sides. Configure the Aldora Chaise Longue to your personal tastes with the online configurator. Choose from a wide selection of fabrics and leathers and discover what it looks like with our AR tool.
