

season design stefano conficconi 2021

Bed with a headboard in wood upholstered with expanded polyurethane foam, acrylic fiber and supported by 1,5cm high dark brown lacquered wooden legs. The bed frame has a wooden structure padded with expanded polyurethane foam. The bed is available with three different headboards that you can combine at your choice. Mattress not included. Note: The backside of the headboard can be entirely covered with leather, fabric or Jacquard textile.

Letto con testiera in legno imbottita con poliuretano espanso rivestito con falda acrilica e supportata da un piede in legno alto 1,5cm, verniciato marrone scuro. Il sommier è realizzato in legno ricoperto con poliuretano espanso. Il letto è disponibile con tre versioni di testate selezionabili a piacere. Il materasso non è incluso. Note: La testata puo' essere rivestita completamente in tessuto, pelle oppure con la parte dietro in tela jacquard.

Storagebox available on demand.

Su richiesta è disponibile anche la versione con contenitore.
