

PANGEA

TABLES AND SMALL TABLES | Indoor
HAGIT PINCOVICI

Distinctive and adaptable, it can be customised to suit your preferences and transforms its look based on function and desires. Designed by Hagit Pincovici, the Pangea table boasts a rectangular top with a refined design that utilises bold and linear geometries. Its surface is a blend of marble inserts, natural stones, and high-gloss lacquered finishes, punctuated by satin brass accents and bases. The table stands as a key design element in the space, capable of evolving with its extendable nature, adapting to different lengths without compromising its sculptural beauty.

Model: assembly required.

Plan / Surface: mDF top and reinforced aluminium sheets lacquered in real coloured polyester, produced in 8 full-colour coats, with 100 gloss brushed finish.

Stone inserts with waterproof protective oil with aluminium honeycomb support, 14 mm thick.

Feet / Legs: base and top decorative inserts in satin brass with wax finish.
