DRAGA & AUREL

The Plissé leather bedside table collection is the product of Draga & Aurel's mission to design a refined and timeless bedside table that is dynamic, joyful and light at the same time. The main features of the bedside tables are the simple, elegant lines and Baxter's typically skilful combination of different materials, such as the leather upholstery and the hand-brushed metal of the legs and handles. Whether in the rounded version with door and drawer or in the longer version with two doors and a double surface, the Plissé bedside table is a functional element of character and style for any bedroom.

Structure: structure in curved plywood and MDF, matt black-stained oak veneer.

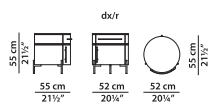

Plan / Surface: top in black rear lacquered glass and inner shelf in smoked extra-clear 8 mm thick glass.

Feet / Legs: base, handle and details in hand-brushed burnished brass with matte varnish.
