DRAGA & AUREL

The Dune bookcase by Draga&Aurel is all about play and experimentation. The thin stainless steel sheet creates a sinuous, undulating impression given by the movement in space of a single steel band with a glossy finish (on the outside) and a satin finish (on the inside). The soft design of each curve generates an open bookcase-container that resembles a functional sculpture, ideal for wall-mounting or free-standing, to define spaces and reflect light and colour.

Structure: frame and details made of stainless steel sheet with polished outer side and satin-finished inner side.
