TABLES AND SMALL TABLES | Indoor  
PAOLA NAVONE

The Vietri coffee tables by Paola Navone represent the essence of a design that celebrates the authentic beauty of nature and the charm of the most striking stone: marble. Available in three sizes, the coffee tables stand out for a simple, sculptural character, capable of dialoguing with any environment, becoming the centrepiece of the convivial space. The rounded shapes of the top are reminiscent of a stone shaped by water. It is shaped from slabs of opaque Bianco Gioia, precious Travertino White or Travertino Silver marble and presents itself as a vibrant surface rich in details, where each vein tells of the uniqueness of the natural material. The dark legs in brushed walnut-stained ash contrast with the visual richness of the marble, creating a harmonious balance between material solidity and formal lightness. Vietri is not just a designer marble coffee table, but an invitation to experience space with discreet elegance and profound aesthetic awareness.

**Plan / Surface:** top in matt Bianco Gioia marble with waterproof protective oil, shaped 2 cm thick with 0.5 cm holl lowering and external flaring.
