PAOLA NAVONE

The Bongo ottoman designed by Paola Navone, with its ethnic and minimalist design, becomes the elegant centrepiece of the living space. The ottoman's iconic shape – reminiscent of the sculptural forms of African drums – is an ironic invitation to sit and enjoy social moments. The formal aspect is carefully designed down to the smallest detail by the exquisite workmanship of the raw-edge leather stitching, which outlines sinuous and enveloping shapes and gives the seat a unique and original appearance.

Structure: structure in poplar plywood.

Padding / Filling: padding in polyurethane foam.

Covering / Coating: leather upholstery with sharp edge stitching.

Pouf.
