

TUMBLER

ACCESSORIES | Indoor
BAXTER P.

Tumbler, the bar trolley by Baxter, elegantly combines design with functionality. The three shelves, crafted from radiant Bianco Gioia marble with a matt finish, appear to float effortlessly within the metal frame that encases them, turning the trolley into a minimalist object of pure elegance, perfectly harmonising practicality with refinement. The unique veining of marble celebrates the authenticity of natural stone, making each piece unrepeatable. The non-marking and silent swivel wheels allow you to move freely in the space, while the satin-finished brass handle adds a fine decoration to Tumbler's versatile and discreet luxury.
